The Program Committee presented the following topics and speakers for the Annual Meeting:

Irrigation District Accounting: Changes Expected
Robert Graham, Auditor, State of Washington

Petitioning and Voting in Irrigation Districts
Panel with Moderator, Members not settled at this time

Registration of Water Rights
Glen H. Fiedler, Department of Ecology

V-Pres Vancik reported on the latest in the labor bill. It was his opinion that the bill was stopped because of a lack of knowledge concerning irrigation districts.

Irving Newhouse presented a bill which had been prepared with the assistance of Frank Loree, Auditor, Division of Municipal Corporations, for consideration by the irrigation districts. This legislation has to do with the duties of the County Treasurers and suggests permissive legislation to transfer these duties, in part, to a Treasurer of the irrigation district appointed by the Board of Directors.

Other matters to be considered as legislative possibilities were labor, changes in liability laws and the problem of unemployment compensation. It was decided not to open the matter of the laws on the qualifications of directors at this time.

Meeting adjourned at 11:45 a.m.
